

(2) *Limitations.* Notwithstanding paragraph (c)(1) of this section, allocations under this section are subject to the following:

(i) *Preceding year allocation.* No State's allocation may be less than its allocation under section 611 of the Act for the preceding fiscal year.

(ii) *Minimum.* No State's allocation may be less than the greatest of—

(A) The sum of—

(1) The amount the State received under section 611 of the Act for fiscal year 1999; and

(2) One third of one percent of the amount by which the amount appropriated under section 611(i) of the Act for the fiscal year exceeds the amount appropriated for section 611 of the Act for fiscal year 1999;

(B) The sum of—

(1) The amount the State received under section 611 of the Act for the preceding fiscal year; and

(C) The sum of—

(B) That amount multiplied by the sum of 1.5 percent and the percentage increase in the amount appropriated under section 611 of the Act from the preceding fiscal year.

(3) *Ratable reduction.* If the amount available for allocations to States under paragraph (c) of this section is insufficient to pay those allocations in full, those allocations are ratably reduced, subject to paragraph (c)(2)(i) of this section.

(d) *Decrease in funds.* If the amount available for allocations to States under paragraph (a) of this section for

a fiscal year is less than the amount allocated to the States under section 611 of the Act for the preceding fiscal year, those allocations are calculated as follows:

(1) *Amounts greater than fiscal year 1999 allocations.* If the amount available for allocations under paragraph (a) of this section is greater than the amount allocated to the States for fiscal year 1999, each State is allocated the sum of—

(i) *1999 amount.* The amount the State received under section 611 of the Act for fiscal year 1999; and

including providing professional development to special and regular education teachers, who teach children with disabilities, based on scientifically based research to improve educational instruction, in order to improve academic achievement to meet or exceed the objectives established by the State under section 1111(b)(2)(G) of the ESEA.

(c) *Local educational agency high cost fund.* (1) In general—

(i) For the purpose of assisting LEAs (including a charter school that is an LEA or a consortium of LEAs) in addressing the needs of high need children with disabilities, each State has the option to reserve for each fiscal year 10 percent of the amount of funds the State reserves for other State-level activities under paragraph (b)(1) of this section—

(ii) For purposes of paragraph (c) of this section, *local educational agency* includes a charter school that is an LEA, or a consortium of LEAs.

(2)(i) A State must not use any of the funds the State reserves pursuant to paragraph (c)(1)(i) of this section, which are solely for disbursement to LEAs, for costs associated with establishing, supporting, and otherwise administering the fund. The State may use funds the State reserves under paragraph (a) of this section for those administrative costs.

(3)(i) The SEA must develop, not later than 90 days after the State reserves funds under paragraph (c)(1)(i) of this section, annually review, and

amend as necessary, a State plan for the high cost fund. Such State plan must—

(A) Establish, in consultation and coordination with representatives from LEAs, a definition of a high need child with a disability that, at a minimum—

(1) Addresses the financial impact a high need child with a disability has on the budget of the child's LEA; and

(2) Ensures that the cost of the high need child with a disability is greater than 3 times the average per pupil expenditure (as defined in section 9101 of the ESEA) in that State;

(E) Establish an annual schedule by which the SEA must make its distributions from the high cost fund each fiscal year; and

(F) If the State elects to reserve funds for supporting innovative and effective ways of cost sharing under paragraph (c)(1)(i)(B) of this section, describe how these funds will be used.

(ii) The State must make its final State plan available to the public not less than 30 days before the beginning of the school year, including dissemination of such information on the State Web site.

(4)(i) Each SEA must make all annual disbursements from the high cost fund established under paragraph (c)(1)(i) of this section in accordance with the State plan published pursuant to paragraph (c)(3) of this section.

(ii) The costs associated with educating a high need child with a disability, as defined under paragraph (c)(3)(i)(A) of this section, are only those costs associated with providing direct special education and related services to the child that are identified in that child's IEP, including the cost

of room and board for a residential placement determined necessary, consistent with § 300.114, to implement a child's IEP.

(iii) The funds in the high cost fund remain under the control of the State until disbursed to an LEA to support a specific child who qualifies under the State plan for the high cost funds or distributed to LEAs, consistent with paragraph (c)(9) of this section.

(5) The disbursements under paragraph (c)(4) of this section must not be used to support legal fees, court costs, or other costs associated with a cause of action brought on behalf of a child with a disability to ensure FAPE for such child.

(8) Disbursements provided under paragraph (c) of this section must not be used to pay costs that otherwise would be reimbursed as medical assistance for a child with a disability under the State Medicaid program under Title XIX of the Social Security Act.

(9) Funds reserved under paragraph (c)(1)(i) of this section from the appropriation for any fiscal year, but not expended pursuant to paragraph (c)(4) of this section before the beginning of their last year of availability for obligation, must be allocated to LEAs in the same manner as other funds from the appropriation for that fiscal year are allocated to LEAs under § 300.705 during their final year of availability.

(d) *Inapplicability of certain prohibitions.* A State may use funds the State reserves under paragraphs (a) and (b) of this section without regard to—

§ 300.705 Subgrants to LEAs.

(a) *Subgrants required.* Each State that receives a grant under section 611 of the Act for any fiscal year must dis-

tribute any funds the State does not reserve under § 300.704 to LEAs (including public charter schools that operate as LEAs) in the State that have established their eligibility under section 613 of the Act for use in accordance with Part B of the Act. Effective with funds that become available on the July 1, 2009, each State must distribute funds to eligible LEAs, including public charter schools that operate as LEAs, even if the LEA is not serving any children with disabilities.

(b) *Allocations to LEAs.* For each fiscal year for which funds are allocated to States under § 300.703, each State shall allocate funds as follows:

(1) *Base payments.* The State first must award each LEA described in paragraph (a) of this section the amount the LEA would have received under section 611 of the Act for fiscal year 1999, if the State had distributed 75 percent of its grant for that year under section 611(d) of the Act, as that section was then in effect.

(2) *Base payment adjustments.* For any fiscal year after 1999—

(i) If a new LEA is created, the State must divide the base allocation determined under paragraph (b)(1) of this section for the LEAs that would have been responsible for serving children with disabilities now being served by the new LEA, among the new LEA and affected LEAs based on the relative numbers of children with disabilities ages 3 through 21, or ages 6 through 21 if a State has had its payment reduced under § 300.703(b), currently provided special education by each of the LEAs;

(ii) If one or more LEAs are combined into a single new LEA, the State must combine the base allocations of the merged LEAs;

(iii) If, for two or more LEAs, geographic boundaries or administrative responsibility for providing services to children with disabilities ages 3 through 21 change, the base allocations of affected LEAs must be redistributed among affected LEAs based on the relative numbers of children with disabilities ages 3 through 21, or ages 6 through 21 if a State has had its payment reduced under § 300.703(b), currently provided special education by each affected LEA; and
